EMBARGOED: For Release March 9th, 2020

Paragon Aviation Group® Adds USA Based Ross Aviation FBO Locations

Cypress, Texas – March 9, 2020 – Paragon Aviation Group® is excited to announce the addition of nine Ross Aviation FBO locations to The Paragon Network® - SDL (Scottsdale, AZ), ANC (Anchorage, AK), FAI (Fairbanks, AK), BED (Bedford/Boston, MA), SRQ (Sarasota, FL), HYA (Hyannis, MA), ORH (Worcester, MA), FAT (Fresno, CA), and BAF (Westfield, MA).

These Ross Aviation locations join their counterparts - KHPN (White Plains, NY), KLGB (Long Beach, CA), KTRM (Palm Springs/Thermal, CA) that have been members in Paragon’s network of superior FBOs starting in 2016. The Paragon Network® has now grown in number to 70 FBOs around the world in 20 countries.

Ross Aviation is guided by four fundamental beliefs: safety, care, performance and drive. With these core standards, they strive to provide every customer with an unmatched blend of service and hospitality from VIP concierge services including valet transportation, comfortable lounge areas, gourmet catering and private conference rooms. Crew members can expect well-appointed, high-tech facilities, efficient quick-turns and full-service ground handling.

“Ross Aviation has always been focused on safety, a commitment to customer service and providing the best FBO facilities possible,” said Megan Barnes, President of Paragon Aviation Group®. “We appreciate their trust in our network and look forward to enhancing each customer’s experience through these additional member locations. Our continued focus on partnering with the finest FBOs in the marketplace coupled with our focus on safety, service, reliability, quality and value provides a confidence level that every customer deserves.”

“Based on our past success with The Paragon Network, we are confident that broadening our membership will fuel additional growth for Ross Aviation and our expanding portfolio of FBOs. We look forward to welcoming new Paragon Members who expect consistently outstanding experiences delivered by compassionate and caring professionals,” said Brian Corbett, CEO of Ross Aviation.

The Paragon Network® is a distinguished membership of elite FBOs and international handling agents that provide world-class service to general aviation travelers around the globe. Paragon Aviation Group® performs a comprehensive audit of the facilities and service offered to ensure the quality of the member base before any FBO joins The Paragon Network®. Each member FBO must comply with a set of strategically developed core standards to remain in the group. Paragon Aviation Group® facilitates The Paragon Network®.

Paragon Aviation Group® is a family business comprised of Mike Delk, Megan Barnes and Molly LeBlanc. With their combined industry experience of over 85 years they have introduced an exciting new industry platform for premier aviation service providers.

ABOUT ROSS AVIATION

Headquartered in Denver, Ross Aviation and its affiliated companies are dedicated to soaring higher – in the FBO services they provide and the environment they create for both customers and team members. The company is guided by four fundamental beliefs: Safety, care, performance and drive – and strives to embody those beliefs in every action taken, from the flight line to the front office. Ross Aviation currently operates 17 fixed base operations under the Ross Aviation, Rectrix Aviation, Alaska Aerofuel, Island Air and Great Circle Aviation Services banners. Whether customers are making their first visit to a Ross Aviation location, or their one-hundredth, they'll experience highly skilled staff who are deeply committed to the successful completion of every mission.
